FROM MR. WILBANKS:

I sincerely thank each of you for the opportunity and privilege I have had in serving as your supt. for the past four years. The decision to accept another job offer was not an easy one to make, for I have enjoyed my job greatly!

Grady has been very gracious to my family and me, heaping much praise upon me for many improvements in our school; yet what has been accomplished during the past four years is not one person's success. (continued P. 81)

Speaking of Sophomores ... the toughest one of all ... Most Valuable player of Class A State ... LOCKMILLER!

sophomore Shelly Lockmiller goes up top for two in the state finals against San Jon. Lockmiller scored 54 points in three games and was selected as the Most Valuable Player in the tournament. (Sun photo by Dan Hester)

... and the clock was ticking down with only seconds to go when San Jon called time out to set up the play that would tie the game but San Jon never got the shot ... lightning quick Lockmiller intercepted the pass as time ran out giving the Lady Bronchos the State Championship! Amid tears, cheers, yells, bells, hugs and tugs ... The Grady Fans were proud of the Lady Bronchos!

Coach Pape and Coach Franklin were Co-coaches of the year!

Dee Bryant and Brenda Ford were very dependable! Mr. Pape and Sandy Pape in back.

From Mr. Wilbanks:

Dear Friends: I sincerely thank each of you for the opportunity and privilege I have had in serving as your school superintendent for the past four years. The decision to accept another job offer was not an easy one to make, for I have enjoyed my job greatly.

Grady has been extremely gracious to my family and me, heaping much praise upon me for many improvements in our school, yet what has been accomplished during the past four years is not one person's success. It was a cooperative effort of the Board, the staff, the students, and the community. You will continue to see improvements made and goals met, because you are a community that is committed to excellence. I challenge you to continue to be supportive of your new superintendent, and expect the best.

Again, thank you for four very good years. I will continue to speak highly of Grady whenever given the opportunity and will cherish our friendship for many years to come.

Sincerely
John Wilbanks
